

Post-Secondary Course Assessment Form

Using Appendix C: Educational Course Assessment for The Operator Certification Program in the Saskatchewan Water and Waste Water Works, Operator Certification Standards 2016, complete this form to calculate the CEU value of your post-secondary education.

Attach this form along with all supporting documentation to the new/upgrade application form.

Provide a breakdown of what program, degree or diploma was taken. List all courses successfully completed and what category they fall into according to the tables and course credit hours below:

Name of Program:			
Educational Institute:			
Start Date:		Completion Date:	
Program Length:
