

Town of Lumsden

Water/Wastewater Operator

The Town of Lumsden is accepting applications for the position of Water/Wastewater Operator. This position works as a Utilities Operator under the direction of the Utility Department Lead. The position assists in the daily operation and maintenance of the water and wastewater works. Other public works duties, not related to the utility operation, are required from time to time.

The Town of Lumsden is constructing an SBR Wastewater Facility. The successful applicant will have the opportunity to learn and grow professionally in this state-of-the-art wastewater facility.

It is a requirement to hold a Class 5 Driver's Licence. Applicants will be required to provide a Criminal Record Check as the hiring process progresses.

The following are considered assets but are not requirements*:

Post secondary education in a related field.

Class 2 Water Distribution and Treatment Certification

Class 3 Wastewater Treatment and Collection Certification

**In absence of Certification, the ability to attain Certification, within a reasonable time frame, is a requirement*

Experience operating heavy equipment (grader, backhoe, skid steer) and pump maintenance

Salary range for this position is based on experience and qualifications. Health, dental, vision and pension benefits are provided. Hours of work are 7:00–4:00 (40 hours paid per week) with a 30-minute unpaid lunch break plus 30 minutes banked toward one Earned Day Off every three weeks. You can expect to provide weekend on-call coverage once every 6-7 weeks.

For additional information on this employment opportunity, please contact:

Jeff Carey, Superintendent (306.731.8024) or Gerry Beaurivage, Utilities Lead (306.530.4903)

Resumes may be delivered to the Municipal Office located at:

300 James Street North, Lumsden or sent to:

Monica Merkosky, CAO

P.O. Box 160

Lumsden, SK S0G 3C0

Fax: 306.731.3572

Email: town.lumsden@sasktel.net

Applications will be accepted until September 30, 2020.
