

Lesser Slave River

Water/Wastewater Operator

Competition # 1916 | Closes November 29, 2019

The MD of Lesser Slave River is currently seeking a full-time Water/Wastewater Operator to assist with daily operation and maintenance across a vast boreal forest territory, two hours north of Edmonton. The position includes monitoring and reporting as per Alberta Environment Codes and Regulations and applicable Codes of Practice. The municipality has three water treatment facilities, seven water distribution facilities, and three wastewater collection and treatment facilities.

The preferred candidate would have the following skills and aptitudes:

- Alberta Environment Certifications in Water and Wastewater disciplines
- Willingness to advance with Alberta Environment Certifications for plant distribution and collection activities
- Membrane Water & Wastewater Treatment experience would be an asset
- Valid Class 5 Driver's License
- Strong mechanical and mathematical aptitude
- Ability to keep accurate and detailed records
- Ability to work with minimal supervision
- Knowledge of Microsoft Word, Excel, and SCADA systems
- Equivalencies considered

The successful candidate will be rewarded with a competitive compensation/benefits package, a variety of developmental opportunities, and the opportunity to make a real difference within a growing and dynamic organization.

Resume and cover letter may be submitted in confidence by email or hard copy mailed to the address indicated below. We thank all applicants in advance for their interest in this position; however, only those selected for an interview will be contacted.

Municipal District of Lesser Slave River ^{no}·124

Box 722 Slave Lake, Alberta T0G 2A0
