### **MRPA JOB APPLICATION INFORMATION**

The Melfort Rural Pipeline Association (MRPA) is looking to fill a Jr. Operator position.

The MRPA is a public utility that supplies potable water to members within MRPA's jurisdiction. MRPA is responsible for installing new water lines, maintaining old lines/pumphouses and monitoring water quality.

MRPA is looking for an individual who is:

- Physically fit
- Able to perform manual labor
- Has a valid class 5 drivers license and a reliable vehicle
- Mechanically inclined
- Be capable of on call work/weekend rotations

The responsibilities and duties include, but not limited to:

Do water tests as required  
Cut grass, keep pumphouses clean (floors swept etc.)  
Report any irregularities in water consumption and/or water operation  
Annual inspection of subscribers' connections  
Water line audit as required  
Inspect water supply-distribution system & identify maintenance and repair issues  
Do minor repairs (change pump motors, pressure gauges, repair leaks etc.)  
Meter Board Placements  
Read water meters  
General repairs  
Duties as assigned by the MRPA Board  
Maintain accurate records (daily/weekly logs)  
Supply own vehicle (to be reimbursed)  
Maintain Water Maintenance Level 1 Certificate  
Maintain .5 CEU/year for a total of 1.0 CEU

Resumes may be sent to:

E-mail to [mrpa@sasktel.net](mailto:mrpa@sasktel.net)

or mail to: MRPA Box 3460 Melfort, Sask. S0E 1A0

or dropped off at our office in the Melfort Mall
