

### Water Treatment Plant Operators

The Town of Lafleche is seeking applications for a permanent, part-time, Class 2 Water Treatment and Distribution Operator. Duties for the position include, but are not limited to: regular water sampling, testing and routine meter reads at the facility, ability to analyze test results and instrument readings, and complete and maintain facility logs and reports. This operator would be under the supervision of a Manager and have to report to them. The Town of Lafleche offers competitive wages and benefits, and will consider compensating for mileage within reason. For more information, please contact the municipal office in Lafleche at 306-472-5292. Interested applicants can forward a resume to [town.of.lafleche@sasktel.net](mailto:town.of.lafleche@sasktel.net).
